Financial Policy

We are committed to providing you with the best possible care. If you have dental insurance, we are anxious to help you receive your maximum allowable benefits. In order to achieve this we need your assistance and your understanding of our payment policy.

Payment for services is due at the time of services unless payment arrangements have been approved in advance by our staff. We accept cash, checks, MasterCard, Visa, American Express, Discover and Debit Cards. We will be happy to file your insurance claim-form for you and accept assignment of benefits.

Returned checks and balances older than 30 days may be subject to additional charges. We will gladly discuss you proposed treatment and answer any questions relating to your insurance.

You must realize, however, that:

- Your insurance is a contract between you, your employer and the insurance company. We are not a party to that contract.
- 2. Our fees are generally considered to fall within acceptable range by most insurance companies, and therefore are covered up to the maximum allowance determined by each carrier. This applies to companies that pay a percentage (such as 50% or 80%) of "U.C.R." "U.C.R." is defined as usual, customary and reasonable. This statement does not apply to companies that reimburse based on an arbitrary "schedule" of fees, which bears no relationship to the current standard and cost of care in this area. If your insurance company decides to pay less than what we have estimated- you are responsible for the unpaid balance. This is a matter between you and your insurance carrier as parties to the contract. In order to keep fees contained we cannot use our staffs time to track non-payment from insurance companies.
- Not all services are a covered benefit in all contracts. Some insurance companies arbitrarily select certain services they will not cover.

We must emphasize that, as dental care providers, our relationship is with you, not your insurance company. While the filing of insurance claims is a courtesy that we extend to our patients, all charges are your responsibility from the date the services are rendered. We realize that temporary financial problems may affect timely payment of your account. If such problems do arise, we encourage you to contact us promptly for assistance in the management of your account.

If you have any questions about the above information or any uncertainty regarding your insurance coverage, PLEASE don't hesitate to ask us. We are here to help you.
